[Cordinadine of the White and Courses] NOTES OF TRAVEL

Newport and Covington Ky their situation and serious apprehensions seem to be enterlained of

tion and simplicity Lawrenceburg and Madi-20th, In Louisville, Ky breef description, Sc Opposite to Cincinnati, con the Kentucky 8 de, are the towns of Newport and Covington. both of which are intimately connected in bust livit Bristol on this day week for New York, for ness with the former place. These two towner the adjustment of the Boundary question. The are ausaiently one and the same, though they are separated by the Licking river, which here enters the Ohio Newport is east and Covington ter west of the river The business of these places is principally that of manufacturing, in various branches, particularly in that of iron and cotton, ide laring that the rejection of the King of Hol 'I he mills are propelled by steam power, as they ate, ajming transing he at the different bolute of the Olio river Newport is a seat of justice -An United States Arainal, and intilitary depot tween the two Countries are located here

Below Cincinnati, on each side of the river, the scenery is very fine, and for some distance exceedingly beautiful Sixteen miles below er of the parties Cincinniti is North Bend, on the Ohio side, the residence of General William H Harrison His dehateil, an unassuming two story building with two wings of one story in height, is situated a short distance from the banks of the river, on a deduction of prices beautiful plat of land, from which there is a fine - Touching the Boundary Question, the times prospect for a considerable distance up and down the river. It has the appearance of having been erected by piece ineal, as funds might have warthing about it indicated its occupant was a true republican, and an independent yeoman. The contrast between this-humble residence, and is tather theoretical than practical, as a recent occurence in New York fully demonstrates -Should General Harrison be elevated to the he will be taken, like Cincinnatus, from his trymen, "success ', I say, "to the Farmer Phi.

an, about ninety miles from Cincinnati This brick, the streets wide and handsomely graded and paved, or McAdamized. The public edi- insil to accept the award of the King of Holeveral Tounderies, factories, and a saw and grist office mill Several steam boats have been built here The pork business is carried on to a considerable, ing to a Cologre Journal, the northern powers Madison is said to be fine for israting, and eate healthy. The Indiana Gozette states that the Information from Constantinople of the Still Bust winter ted, are various; "those of the low grounds, on be going on as actively as those of Turkey and the river and creeks, are level, with a loamy - Egypt Colinitry; '

Ky As you approach this place, rich alluvial Marine and the Colonies M Parant. Minister of 2d " " 12 acre, plains extend from the river's edge, covered with French M Gautter Minister of Best come on burnt " plains extend from the river's edge, covered with a thick forest to a lappearance. The local sitnation of Louisville is extremely pleasant. The town from one extreme to the other, occupies a considerable distance. The principal streets are three, perallel with each other, and these are crossed by six others, at right angles I he land ing is very fine.

The ware houses are very spacious, some of them two hundred and five feet in depth, and four or five stories high Louisville is a place of great busine -. and is a formidable rival to under last week Cincinnati It is said to be growing much more sapidly. The manufacturing business is carried imports annually amount to about thirty milhone. In Louisville, there are five or six banks, a splendid Court-House in progress, ja !, twelve or fourteen churches, two markets, a museum. theatre, marine-hospital, orphan asylum, &c -There are a veral hotels, viz - the Gattiffouse' which is the 'crack' house, the Louisville Hotel the Jefferson House, and the Ormsby House Our Boat made but a short stop at this place, and my opportunity for accing it was consequently very limited. With its general appearance, I was much pleased, though I should prefer Eng and society in both places

In I-ouisville, a "Pilgrim Society" has recently been formed the object of which is to keep in view the Landing of our Foretathers, and the annual commemoration of that important event. A similar association exists, I am told. in Cherleston, S C. called the "New England Secrety," and such an one should also be found the intrchants, of said abrogation, in order to 13 every Acatern city, at least. There is, hon- prevent damages. ever, no lack of good feeling among the New Englanders at the west. A brotherly love evein white " water while the series

CONSUGAL APPROVIOUS A man in North Carolina was lately shot by his wife f-u keeping in that querter will probably be leden with short another domen

LATER FROM ENGLAND ft Thrake politeness of Gapt Hours of the the steamer Bangor, we have received the Mercantile Journal and Transcript of Saturday eyening, which papers contain news from England to the 6th or April, brought by arrivals at Boston. The papers are filled with speculations relating to the N E Boundary question but no business scenery below Concennate North Bend | a war, the horizon of which are deprecated by the residence of General Harrison its toca- the press. We make the following extracts

The London Observer of the 31st of March.

"We have been assured, on authority, on which we may place reliance, that proposite have been sent out by the Great Western which contents of the despitches, have it is said, the full concurrence of our government, and mest The London Times of the 4th ult alludes to

the above rumor, and contradicis it. The editor is strongly opposed to another arbitration fand's award on a furmer occasion, was a breach

the subject of the difficulties now existing be With the experience which the British and

American have had of the baneful consequencee of warelare, morelly and commercial, it is honed that the Legislatures of both nations will the land is appropriated by wealthy individuals devise some incasis to avert a recurrence of to univate seals. Many of their duelling are such a calamny by mutual conces tons, which will compromise the national character of neith The Manchester Guardian of the 3d of April

aret bas shoot not thou basman ad Paragram resterday was exceedingly limited—and the market was in a very depressed state. Very

quotes the official organ' of the Government | Farmer used to say ' Hoe out their row," to the republication of an acticle on that subject, in which, after giving a talse view of the case it is said that the Government can have no ob ranted additions to the original structure. Every | jection to a decision of the question, on a survey of the territory in dispute, and the striking of the boundary line according to the treaty of 1783 But it adds that it is useless to appoint. a commissioner, without a cleur preliminary that of many of sor disant democrats of the day understanding between the two governments my was great. The democracy of the present day to the principles by which the inquiry is to be jointies, over their locolico competitors regulated, and that the proposition would be f rewarded to the Government of the United States by the next packet

The limes remarks that the ministry mean highest office in the gift of the American People, to say that the whole question is to be re-opened; there is to be a new survey, new commisand another arbitration if the commissionplough It such should be the will of his counters do not agree which it thinks is very likely to prove c rrect. And it then quotes a nother paragraph from the stitcle by the . Gov.

Lante Blevoig, incident, is a pretty vil age, it, an interchange of territory of the payment of and a seat of justice. We made no stop at this a sum, to be fixed as the value of the tract, the Passing several other little villages on either possession of which is essential to the British side of the river, we came to Madison, India. Government, if it appear that for Jam to it can air, about ninety miles from Cincinnati. This be supported by equitable print. The Times says, the proposal to take up the whole subject is also a seat of justice, and a Theiring towns do noons not new, but was made by the Americontaining a population of from four to five can Minister to Lors Palmerston some time 790 thousand. The build age are principally of and his Lordelin lorger to communicate it to his colleigues. The Times then reviews (in the office. The Whig majority in Grand Comits own way) the whole question, from our re fices are a Court house, pail, six or eight houses, land, and concludes that the Ministry are alraid of worship, a Bank, Saving a Institution, a d of the Republicans, and will make at y sacrifice to maintain peace, and continue themselves in

.The Belgium question is settled but accord extent, fifteen thousand hogs having been laugh | will not resume relation with Be grain, until acred in town in 1837. The country around Skyrznecki, the Polish general, is dismissed -It is reported that king Leopold internis to about

- HARRISON'S PERISTALTIC LOZENGES;

AN APPROVED REMEDT FOR COSTIVE VESS AND DESPRESSE His medicine is not put forth as a universal nostrum, calculated to cure all the diseases mordent to humanity, but rather as a means of preventing them. It may safely be stated that give tenths of the most serious maladies arise from an unhealthy action of the stomach and bowels or hyer, inducing as a natural consequence indigestion and its results, such as head ache, acidity of the stomach, heart burn, flatulency, neusen, lowness of spirits jaundice and a whole catalogue of other complaints, which may be entirely removed by a timely and persevering me of this remedy

The most cogent objection to Aperients in general is, that containing some drastic purgaine they reave, after their operation has ceased, a torpi ity of the stomach andbowels producing con-equences which their administration was intended to correct Such effects will not toflow the use of these Loz

TO FEMALES IN DELICATE HEALTH The Peristaltic Lozenges are strongly recommended to the notice of every Lady, having obsafe and valuable medicine in removing obstruc tions and relieving all other inconveniences to said Dixmont, being the north helf of lot numbered which the female frame is liable, especially those 37 and is the same which the said Tail or now writh after ar an early period of life from want lives on containing 75 acres more or less of exercise and general debility of the system They create an appelne, correct indigestion, remove giddiness and nervous head ache, and are emineally useful in windy disorders, pains in the stomach shortness of breath and palpitation of the most delicate female, when an aperient is required. may have recourse to them, and they will act as a prevenue against those nervous and hysteries! affections which so frequently arise from continued constination TO SEATARING PEOPLE AND TRAVEL-

Lo individuals 'ravelling, more particularly seafaring persons, when from change of habit or ci: mate, the liver and bowels become mactive and I consider myself cured of costiveness started from the box in which they are packed and kept gool for any length of time.

LERS GENERALLY.

head ache and general neuralgic affections. Very remarkable cures night be published if thought ne-

Mr. Milhan, the agent in New York, writes I think it no longer never ary to advertise to the extent, as heretofore; the Lezenger are now well known I am daily seceiving the most satisfactory accounts of them, and I shall always secommend them to my customers " I'be very pressure de reputation which a hinds

cure derives from the fashionable practice of publishing a long list of certificates front persons whom nobody knews, has induced the proprietorio forego the opportunity of offering to the public the many commendations which he's daily receiving of these Lozenges, treating rather to their own mer its, which will be apparent to all on trial, and the respectability of his numerous agents There Lezenges have been in use for two years,

the general approbation they have met with from our first families, establishes their merits and makes further remarks unnecessary They are packed in boxes which may be carried in the pocket and sold at fille conte per box

For sale in Bangur, by George W-Holden and Whitter Foodd. Eastport, John Beckford, Halinwell, Samuel Adams and F. Scammon. Augusta, Tappan Land, Gardiner, A 7' Perkins Port land, Joshua Durgin and Artemas Carter,
